

Chairman, Speaker inaugurated orientation workshop on National e-Vidhan Application(NeVA) in J&K Legislative Assembly

Hon'ble Chairman,
Legislative Council,
Haji Anayat Ali and
Hon'ble Speaker,
Legislative Assembly,
Dr Nirmal Singh
inaugurated 2-day
orientation workshop
(March 12-13, 2019)
on National e-Vidhan
Application (NeVA) at
Central Hall of Jammu
and Kashmir
Legislative Assembly

Secretariat on 12th March, 2019. The orientation workshop programme on NeVA was organized by the Jammu and Kashmir State Legislative Assembly and Council, in collaboration with the NeVA team of Union Ministry of Parliamentary Affairs and NIC J&K aiming at promoting paperless working in both the houses. The officers from both the houses were educated about Master Data Entry, Question Module, Bill, Notice and List of Business Module etc. in NeVA application.

Union Secretary, Parliamentary Affairs, Sh S N Tripathi and Joint Secretary Dr. Satya Prakash also participated in this two days function held from March 12-13, 2019. NeVA Coordinator, Sh Arpit Tyagi and Data Base Administrator Sh Sameer Versani highlighted the objectives and importance of the National eVidhan Application through a power point presentation. Sh. Rakesh Jamwal, Scientist-E NIC J&K gave a detailed power point lecture on the technical features of NeVA, present status and future strategy to be adopted for its implementation in J&K.

NeVA is a mission Mode Project of Govt. of India to digitize and make the functioning of State Legislative houses paperless. It is a member centric application so as to equip them to handle diverse House Business smartly by putting entire information needed by them in their hand held devices/tablets

and equip all the Branches of Legislatures/ Department to handle it efficiently. The Ministry of Parliamentary Affairs, is the 'Nodal Ministry' for implementation of e-Vidhan MMP and empowered to take all necessary steps to promote and rollout e-vidhan- re-designated as National e-Vidhan Application (NeVA) in all the 31 states/UTs.

The NeVA team gave a detailed presentation about the installation of NeVA application, One Nation One Application and its functioning. The Secretary, Parliamentary Affairs also highlighted the importance of implementation of the National e-Vidhan Application project.

Dr Nimal Singh, Speaker, J&K Legislative Assembly and NeVA CPMU team appreciated the ICT support provided by NIC J&K for completing the trial Master data entry, session-wise processing of questions for previous 12th J&K Legislative Assembly enabling availability of eBook as well as List of Business, besides other reports. The workshop would make the participants aware on how the digitization, availability and applicability of information could save precious time, money, energy and resources of the Houses and its members and increase their efficiency manifold. Among others present were Secretary, Legislative Council, Muzafar Ahmad Wani, Secretary, Legislative Assembly, Achal Sethi. Sh. Suresh Kumar, Scientist-F, Sh. Rakesh Jamwal, Scientist-E and Sh. Sarabjeet Singh Scientist-D from NIC J&K.

2-day workshop on National e-Vidhan Application concludes

Excelsior Correspondent

JAMMU, Mar 13: A 2-day orientation workshop programme on National e-Vidhan Application (NeVA) One Nation One Application concluded today at Central Hall Assembly Complex.

The two day orientation workshop organized by the Jammu and Kashmir State Legislature under the aegis of a NeVA team of Ministry of Parliamentary Affairs with the aim of total digitalization of record of both the houses of state aim to promote total paperless working in the Council and Assembly Secretariat as per the initiative taking for other Assemblies by the NeVA under One Nation One Application.

Speaker, Legislative Assembly, Dr Nirmal Kumar Singh was also present in the valedictory session.

In the first session of 2nd day of Orientation Workshop, the NeVA team conducted a Demo Session about the subject of data entry for one day data to the participants. The team also conducted a live session of demo to the employees and stakeholders regarding how to implement and check any proceedings of the houses during the sessions including Question/Zero hours, Calling Attention, bills, debate,

neanesaay.

discussions and other proceedings of the houses.

Secretary, Parliamentary Affairs, S N Tripathi was also present in the valedictory session and briefed the gathering about so many applications already running in the Parliament and State Legislatures on different subjects. He said that huge volume of information is being managed by these applications, which makes accessing the relevant information instantly very difficult. He said that NeVA is an effort to integrate this information on one platform and giving anytime anywhere access to everyone at a click of a button.

Over the course of two days,

a series of lectures/interactive sessions were delivered by dignitaries and experts on important features of NeVA.

Joint Secretary, Parliamentary Affairs, Satya Prakash also highlighted the aim of the 2 day orientation workshop and sought cooperation from all the stakeholders to complete the project without any hurdle as early as possible.

The Speaker distributed mementoes to the Secretary and Joint Secretary of Parliamentary Affairs Department of besides distributed the certificates to the participating Officers, officials and the members of IT/NeVA team.

Among others, Secretary, Legislative Council, Muzafar Ahmad Wani, Secretary, Legislative Assembly, Achal Sethi, besides members of IT teams including Arpit Tyagi, Sameer Versani, Rakesh Jamwal, M K Bhat, Khurshed Ahmed, M A Bhat, Amit Khullar, Qazi Mushtaq Ahmad, Vishal Sharma also present in the workshop.
